GENERAL ASSEMBLY

The General Assembly or "GA" of the CEAT Student Council is the highest-decision making body. This is a regular meeting that is scheduled every Friday unless otherwise specified. To constitute a quorum, the council must have a supermajority, or two-thirds, of the body in attendance or else, the meeting shall succumb to a Special Meeting.

The CEAT SC has conducted 16 General Assemblies.

SPECIAL MEETING

If a General Assembly does not reach a quorum, a Special Meeting or "SM" shall take place. It is a consultative body of the council and no decisions shall be made due to the lack of a quorum.

The CEAT SC has conducted only 4 Special Meetings.
EMERGENCY MEETING

The Emergency Meeting or "EM" is called if an immediate concern has to be discussed and resolved. To constitute a quorum, the council must have a simple majority, or one-half of the body plus one, in attendance of the meeting. Attendance is a must during the meeting, however since the meeting is urgent and councilors might have settled with other prior commitments, absences in this meeting does not add to any attendance infraction.

The CEAT SC has conducted 7 Emergency Meetings.

CEAT COUNCIL OF STUDENT LEADERS MEETING

The CEAT Council of Student Leaders Meeting (CEAT CSL Meeting) is one of the consultative bodies of the CEAT Student Council. This is a regular meeting that is scheduled on the last Monday of every month unless otherwise specified.
